

CAPE COD YOUNG PROFESSIONALS

March 12, 2019

Dear Local Supervisors and Employers,

On April 4, 2019, Cape Cod Young Professionals (CCYP, Inc.) will host the **4th Annual Shape Your Cape Summit**, a one-day conference featuring interactive workshops, panel discussions, and high-quality development opportunities for Cape Cod's workforce and community leaders. The Summit features something for everyone, with session topics and speakers spanning a wide variety of industries and professional experience – all designed to improve quality of life and work opportunity for young people on Cape Cod.

CCYP has created this year's Summit program with a renewed emphasis on key takeaways, actionable solutions, and attendee engagement. It is our goal for attendees to leave the Summit energized and empowered, with clear next steps for how *they* can effect positive change in their lives, workplaces, and communities!

When your employees ask to attend the Summit, here are the TOP 3 REASONS why you should say "YES!" This year's Shape Your Cape Summit will provide:

- A unique opportunity for our region's workforce to **CONNECT** through shared learning experiences, networking opportunities, and access to community leaders and decision-makers;
- Ways to **ENGAGE** with local government, volunteer opportunities, and the policies and processes that affect our daily lives (like child care, housing, and Town Meeting);
- Top-notch speakers and workshops to help attendees **ADVANCE**, professionally and personally (such as a spotlight on local industry advances and soft skills development for new and established managers).

When we invest in the professional and personal well-being of our young workers, we lay the groundwork for a strong and vibrant future for our community – and stronger, more productive employee teams in our local businesses and organizations! We at CCYP are proud to play a role in this important work. Thank you in advance for your consideration, and we hope to see you at the Summit!

With gratitude,

Lauren Barker, CEO
Cape Cod Young Professionals (CCYP, Inc.)
(508)714-2201, ext. 102
